EN A neoclassical sense of equilibrium for a modern lamp. The shape and the screen printing of the polycarbonate diffuser produce intense, uniform light.

IT Un misurato equilibrio neoclassico per una lampada moderna. La forma e la serigrafia del diffusore in policarbonato consentono una diffusione della luce intensa e omogenea.

DE Ein maßvolles neoklassizistisches Gleichgewicht für eine moderne Leuchte. Form und Siebdruck des Diffusors aus Polykarbonat sorgen für eine intensive, gleichmäßige Lichtverteilung.

FR L'équilibre néoclassique mesuré pour une lampemoderne. La forme et la sérigraphie du diffuseur en polycarbonate permettent une diffusion de la lumière intense et homogène.

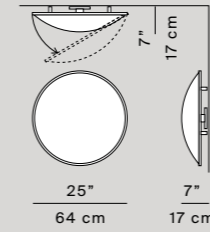

ES El justo equilibrio neoclásico para una lámpara moderna. La forma y la serigrafía del difusor de policarbonato permiten una difusión de la luz intensa y homogénea.

			EEL
Light source	D14a	3 x LED E27	A++ / A+ / A
		3 x 23W FB E27	A
		3 x 70W HSGSA E27 energy saver	D
	D14api	3 x LED E27	A++ / A+ / A
		3 x 20W FB E27	A
		3 x 42W HSGSA E27 energy saver	D
	D14sa	LED dimmable R7s (Ø max 22 mm)	A++ / A+ / A
		240W HDG R7s energy saver	C
	Materials	Aluminium body, weft-silkscreened polycarbonate diffuser, pyrex glass for safety	
Structure finishes	○ Alu		
Diffuser finishes	○ White		
Insulation class	⊕ ⚡ CE
